

MD Undergraduate Program

Innovation

~

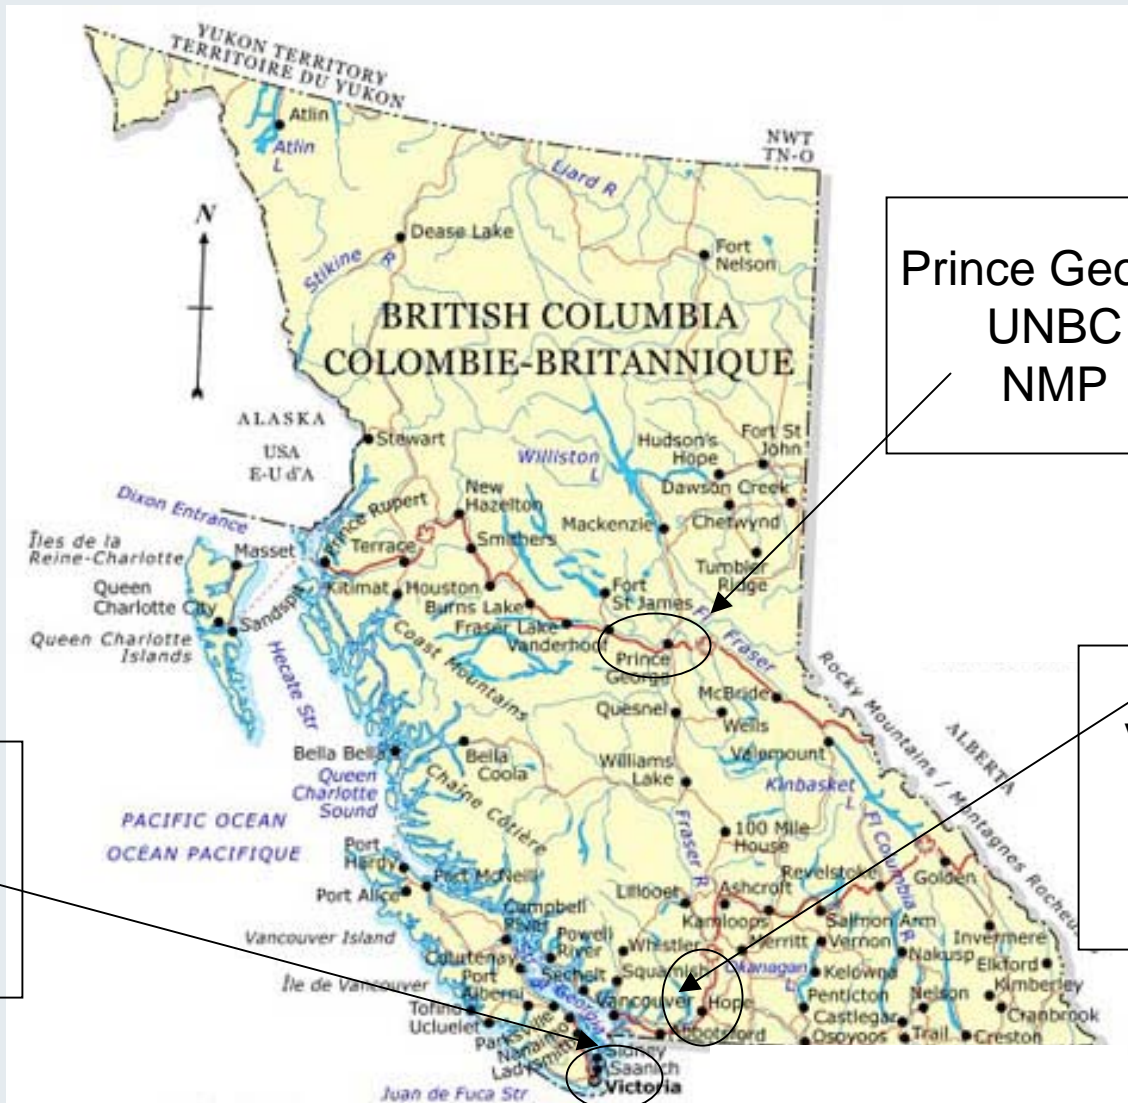

Collaboration

Why / What

- Number of students graduating less than physician vacancies
- Lack of physicians in rural & remote areas
- Technology supports distributed learning
- Participation in the national health research endeavor
- Strengthening the provincial health care system

Time	Students	VFMP	IMP	NMP
2002	128	128	0	0
2004	200	152	24	25
2005	224	176	24	24
2010	256	192	32	32

- UBC degree
- 3 academic sites

Victoria
UVic
IMP

Prince George
UNBC
NMP

Vancouver
UBC
VFMP

Timelines

- Established terms of reference for faculty planning committees in April 2002
- Library planning sub-committee from January 2003 to September 2003
- Library Operations Committee from November 2003 to date
- Prototypical Week end of January 2004
- UBC MD Undergraduate Resources Librarian hired February 2004, UVic librarian hired in December 2004, UNBC librarian hired in February 2005
- First intake of students September 2004
- Distribution of students January 2005

Who

- Associate Deans at 3 universities
- Distributed Program Planning Committee
- Curriculum Committee
- Library Operations Committee
 - Hospital taskforce
 - Working groups
- Staffing
 - Librarians and support staff at UBC, UNBC & UVic

Library Operations Committee

- UVic University Librarian – Chair
- UNBC University Librarian
- UBC University Librarian designate
- Medical Librarians – UBC, UVic, UNBC
- Hospital Librarians – Victoria, Prince George, New Westminster
- Curriculum Committee Chair
- MEDICOL (WebCT portal) staff – UBC Faculty of Medicine
- Clinical site leader – Chilliwack
- MD Undergraduate Resource Librarian – UBC
- Woodward Biomedical Head

Library Operations Committee...

- Working groups
- Work plan with key activities and key dates
- Budget submissions
- Clinical academic sites library support

Program

- Terms divided into blocks
 - Most blocks are divided into weeks which cover separate cases.
 - Supporting class lectures
- 2 years of problem based
- 2 years of clerkships
- All the planning and work was done to have the collections and staff in place to support the program

Collections

- Curriculum resources
 - Collaborated with faculty and reviewed previous course lists, selectively chose current, focussed books and journal articles
 - Created a database for ongoing collection development, maintenance and review
 - Revised UBC reserve collection
 - Purchased reserve collections for UNBC and UVic
 - Managed e-reserves from UBC library
 - Supplied copies of all print journal articles and backup copies of e-reserves for UNBC & UVic

Collections

- Core titles
 - UNBC, UVic & future clinical sites were chosen and purchased by the librarians at the site, supporting materials for general circulation.
- e-Resources
 - All UBC students have access to all UBC resources
 - Negotiated access to a select set of resources for non-UBC library staff at distributed sites
 - Future negotiations to include library staff at clinical sites

MEDICOL 2008 - First Year

First Year

- Orientation
- Principles of Human Biology
- Host Defense & Infection
- Cardiovascular
- Autonomic
- Fluids, Electrolytes, General, Genital & Urinary

Second Year

- Musculo-Skeletal & Locomotor
- Blood & Lymphatics
- Gastroenterology
- Endocrine & Metabolism
- Integument
- Brain & Behaviour
- Reproduction
- Growth & Development

Reference & Instruction

- Communicate between sites regarding student questions
- Equitable hours of service
- Outreach reference to the medical buildings
- Collaborate to revise informatics in the curriculum, delivery from multiple sites
- Planning for collaborative virtual

Challenges

- Communication
- Technology
- Acquisition – right through to document delivery
- Hiring staff
- Renovations
- Library cards
- Time tracking
- UBCO Okanagan – 4th Medical school campus by 2009

Key to Success

- People
 - All stakeholders have been committed from the start; new faces have joined the program and have carried on with the same enthusiasm as the initial team
 - Met & continue to meet the challenges, always thinking of how best to serve the students that will be the tomorrow's physicians of BC

And the names are.....

- Charlotte Beck, Gavin Stuart, Mary Bertulli, Joanna Bates, Joanne Matthews, Katy Nelson, Tom Nicol, Kathy Hornby, Kathy Yardley, Marnie Swanson, Angela Towle, Nancy Black, Sue Abzinger, Anne Allgaier, Rita Dahlie, Cliff Cornish, Lea Starr, Jane Eibner, Kristina McDavid, Oscar Casiro, Jennifer Symth, David Snadden, Dale Stogryn, Martin Pusic, Karen Kinnis Lua Lynch, Linda Manning, Dean Giustini, Marc Broudo, Joanne Read, Teresa Lee, Charles Hogg, Donna Signori, Patty Foster, Shailoo Bedi, Rebecca Raworth, Trina Fyfe, Leonora Crema, David Winter, Ana Rosa Blue, JoAnn Murphy, Lee Perry, Ken Cooley, Brian Owen, Alison Nussbaumer, Katrina Smallwood, Jennifer Hammond, Ismail Laher, Niamh Kelly, Fergall Magee, Richard Spencer and many, many more.....

- Thank you
