Vice-President: Ed Perry
Secretary: Susan Powelson
Treasurer: Greg Rubin
Membership: 26

Our chapter met twice in the past year. The Fall 2001 meeting was hosted by Rian Misfeldt of Saskatchewan Institute of Applied Science and Technology (SIAST) in Regina. The workshop for the meeting was the M.L.A. teleconference "The effect of E-journals on your library". A tour of the new SIAST facility was part of the day and a business meeting followed the teleconference.

The Spring meeting was hosted by Janet Bangma of the University of Saskatchewan on May 29, 2001. The morning meeting consisted of a presentation by Barb Smith, Ken Ladd, and Heather West regarding nursing education in Saskatchewan, and the role that our libraries play for students in the beginning nursing and nursing refresher programs. The business meeting consisted of a report regarding the new executive for 2001-02. Janet Bangma updated us on happenings at CHLA and Ed Perry reported on the University of Regina's E-journal's. SHLA executive positions changed after this meeting.

Muriel Griffiths
SHLA President
