OUR EVENT

The Canadian Health Libraries Association/Association des bibliothèques de la santé du Canada (CHLA/ABSC) is a professional organization of approximately 250 individuals in the health sciences library and /information management field across the country. The Annual Conference is the main event in Canada for its members to convene and exchange information relevant to health information and library practice.

This year's conference will take place at the **Sheraton Hotel in St. John's, Newfoundland and Labrador, June 15-18**. Join us in Canada's oldest city as we **"Rant and Roar/Tempeter et Rugir"**! Our theme is inspired by a lively Newfoundland folk song that conveys passion, excitement, and celebration. This four-day event will include an array of educational, information sharing, and networking activities, including: continuing education workshops, an opening reception, plenary and concurrent sessions, poster presentations, lightning talks, exhibitor booths, social activities, refreshment and lunch breaks, and an awards banquet and after party.

PLEASE JOIN US!

A welcoming Exhibit Hall featuring vendor and sponsor booths is an essential element of the conference program, and dedicated time is built into the program so that attendees can meander through the exhibits. Face-to-face interaction with Canadian health information professionals provides an exciting opportunity for you to increase awareness of your company's products and services and solicit feedback from key decision makers who represent a wide variety of academic, health care, and professional organizations.

"We always enjoy catching up with the sponsors and exhibitors at our annual conferences."
