Dear Amanda:

Thank you for your email regarding changes to the Canadian Agency for Drugs and Technologies in Health (CADTH). I appreciate that you have taken the time to inform me of your concerns about this matter.

CADTH plays a key role in drug funding decisions in Saskatchewan through the national health technology assessment process. Ministry of Health officials are working to further understand the changes.

If you have not done so already, you may wish to share your concerns directly with CADTH by email at requests@cadth.ca or by telephone at 1-866-988-1444.

Again, thank you for writing and sharing the concerns of the Canadian Health Libraries Association.

Sincerely,
