

ABC's of Research Impact: Altmetrics, Bibliometrics and Citations

Instructors: Susan Powelson (Health Sciences Library, University of Calgary), Robin Featherstone (Alberta Research Centre for Health Evidence)

Intended audience: Librarians interesting in learning about the tools to use to evaluate research impact.

CE Contact Hours: 3.0

Contact e-mail: spowelso@ucalgary.ca, feathers@ualberta.ca

Method of Delivery: Lecture and small group hands on.

Summary: Learn how to use bibliometrics to evaluate research impact. By the end of the course, you will have completed a research impact statement and will understand the benefits and limitations of using Web of Sciences, Publish or Perish, Google Scholar and Altmetrics.

Accredited until: May 2018
