The full strategic plan can be found on the [CHLA/ABSC website](#).

Goals: Desired result

Objectives: Measurable actions undertaken to achieve goals

2018-2021 STRATEGIC DIRECTIONS

REVIEW OF YEARS ONE, TWO AND THREE, AND ESTABLISHMENT OF YEAR FOUR GOALS

STRATEGIC DIRECTION 1: BUILD COMPETENCIES: PROFESSIONAL AND LEADERSHIP DEVELOPMENT

GOALS:

- 1.1. Strengthen accessibility of educational offerings through on-line and virtual options, joint conferences, leveraging partner education programs, and supporting travel
- 1.2. Develop and deliver content on the 'business of libraries' (e.g., key business processes, collection development, guidance for solo librarians, and libraries without experienced librarians)
- 1.3. Explore the possibility of creating a comprehensive, multi-year leadership curriculum
- 1.4. Promote current educational specialty offerings (e.g., systematic reviews, critical appraisal) for delivery to professionals and information specialists in other health fields (e.g., nursing, medicine, primary care)
- 1.5. Review need and opportunity for mentoring

Year Four Objectives related to Direction 1:

Building on previous years (see below) the Board has set the following objectives at the 2021 Fall Board meeting, which we hope will lead to the successful completion of Goals related to Strategic Direction 1:

Year 4 – 2021-2022	
Goals	Objectives (in progress)
1.1	Leverage existing partnerships for member benefits Provide equal opportunity for access to the conference and CE offerings Strengthen the terms of reference of the CE committee to better align with the strategic objective of strengthening accessibility of educational offerings.
1.2	Ensure that professional development offerings by CHLA/ABSC are balanced with offerings around EDI. Investigate options for requiring standardized EDI training for Board members and JCHLA editorial team. Deliver content on the ‘business of libraries’ by the end of year 4.
1.5	Identify opportunities to support mentorship within the profession & share them with the CHLA/ABSC membership

Year 3 – 2020-2021	
Goals	Objectives (Completed)
1.1	The Board continued to liaise with MLA & ALIA regarding our hospital library standards and other trends
1.2	Develop and/or deliver Equity, Diversity & Inclusion (EDI) content (CE offerings, web resources, etc.) to the membership: 2 EDI sessions were offered during the year (<i>Inclusive Workplaces: Our Collective Responsibility</i> webinar and <i>Exploring your identity with cultural humility: A tool to improve health sciences librarianship</i> CE course during the annual conference).
1.3	In year three, the CHLA/ABSC Leadership Institute continued with 12 participants. The Steering Committee prepared a final report, which was submitted to the Board and reviewed during the Fall 2021 Board meeting

Year 2 – 2019-2020

Goals	Objectives (Completed)
1.1 & 1.2	<p>In year two additional advances were made: A call for new CE committee members went out. The newly formed CE Committee held two meetings to work on Terms of Reference and identify CE opportunities. The Committee met with the Knowledge Synthesis Interest Group (KSIG) and CHLA 2021 Conference Planning Committee (CPC) to review CE opportunities and drafted a CE plan for rest of 2020 (Nov/Dec) and early 2021 that was presented to the Board during the Fall Board meeting. The plan includes content on the Business of libraries among other offerings and takes advantage of the new virtual reality by using approaches that increase accessibility for members.</p> <p>Substantial improvements were made to simplify access to CE funding through our grants and awards program.</p> <p>The Board signed new affiliation agreement with ALIA Health Libraries Australia.</p> <p>The Standards task force liaised with MLA and ALIA Health Libraries Australia re: health libraries standards as both have also begun the process of updating their respective standards.</p>

Year 1 – 2018-2019

Goals	Objectives (Completed)
1.1	<p>Significant advances have been made on this objective primarily through the Special Subcommittee on Continuing Education, which has proposed a number of improvements to our grants and awards program, as well as our CE online offerings. Promotion of the association's Zoom account for use by committees, interest groups and chapters has significantly increased access to educational offerings and chapter engagement. We are currently in discussions with MLA regarding scheduling a joint conference within the next few years.</p>
1.3	<p>The Leadership Institute approved and launched in 2019 by CHLA/ABSC has largely met this objective. Continued exploration and collaboration by the CE Director and the LI leadership to make aspects of the LI curriculum available to non-LI participants will further enhance leadership capacity of our membership. The CHLA/ABSC Leadership Institute continued in 2020 with 12 participants.</p>

STRATEGIC DIRECTION 2: PROMOTE KNOWLEDGE TRANSFER

GOALS:

- 2.1. Build a knowledgebase of health information best practices, including a toolkit of impact measures, success stories, case studies, and documented standards
- 2.2. Continue efforts to keep members abreast of environmental trends and to advise how they can meet these challenges
- 2.3. Define information literacy in the context of the Association and its members' work; link information literacy to education and other Association activities
- 2.4. Explore opportunities for knowledge management of data from electronic health records
- 2.5. Support and encourage special interest groups to compile and share information on practices broadly; encourage networking with information specialists in other professions
- 2.6. Expand and refine the mechanisms for sharing knowledge e.g., our websites, listservs, newsletters, as well as the Journal of the Canadian Health Libraries Association.

Year Four Objectives related to Direction 2:

Building on previous years (see below) the Board has set the following objectives at the 2021 Fall Board meeting, which we hope will lead to the successful completion of Goals related to Strategic Direction 2:
